

Each year, we strive to support local nonprofit organizations and various causes. We donate thousands of dollars in rentals and product each year. We have requests for many times the amount we actually give; and therefore keep a monthly donation budget. If you are requesting a donation, please read our frequent misconceptions and eligibility guidelines before submitting your request.

Donation Eligibility Criteria

We evaluate applications based on, but not limited to, the following guidelines:

1. Request for donations must be made at least 12 weeks in advance.
2. We do not donate to individuals, individuals seeking pledges, or multiple requests from the same organization. Past support of an organization or an event does not guarantee future support.
3. Typically donations include a percentage off your rentals. We are usually unable to donate a complete rental.

Decision Process

1. We meet monthly to review all requests.
2. Incomplete forms will not be considered.
3. We ask that telephone calls regarding status not be made due to volume of calls received.
